# Businesses Break Contracts and Blame Virus. Is Climate Next?

**Richard Reizen**

Construction

Rich Reizen, Chair of Gould & Ratner's Construction Practice, was featured in an *E&E News* article "Businesses Break Contracts and Blame Virus. Is Climate Next?" where he discussed the impact of how the pandemic demonstrates why lawyers should be writing clear and specific terms in case of delays or project hiccups, which he noted have been the biggest issue in some construction disputes stemming from quarantine efforts.
