Change has Come to Job Sites, and More Change is Yet to Come

Richard Reizen

Construction

June 03, 2020
Webinar

Rich Reizen, chair of Gould & Ratner's Construction Practice, moderated a discussion of a range of topics, such as site disruption, safety concerns and even the legal issues of face recognition software as part of REjournals' *Breaking through the Disruption* webinar series.

Joining Rich in the discussion were James A. Brucato, president, Principle Construction; Elizabeth Boddy, of counsel at Taft, Stettinius & Hollister LLP; architect Alba Colavitti, AIA and Adam Moore, senior regional manager at First Industrial Realty Trust.
