[Fred Tannenbaum](#), a Gould & Ratner Corporate partner, moderated this interactive session in front of a virtual audience of over 170 investors, business owners, service providers across the US, Europe, Asia and Africa. It featured three razor-sharp VCs — our “Barracudas”:

- [Craig Asher](#) of [OMX Ventures](#)
- [Catherine Kleinmuntz](#) of [Kleinmuntz Associates](#)
- [Rachel Stillman](#) of [7wire Ventures](#)

These “Barracudas” will try to get the angle from leaders of three promising early stage companies:

- [EternaTear](#)
- [SimBioSys](#)
- [Wellright](#)

For more information about the companies, “Barracudas” and to view the presentation please visit [here](#).
