Gould & Ratner

In honor of Hispanic Heritage Month, Gould & Ratner hosted a luncheon on September 20, that featured music from Mariachi Ameca and traditional cuisine.

The event also benefited Centro Esperanza (Hope Center), a justice center in Carpentersville, IL founded by Gould & Ratner paralegal, Juana Correa. The center provides free legal assistance to low income individuals and families. In addition to legal services, Centro Esperanza also provides financial counseling and conflict resolution counseling services.
