Gould & Ratner recently represented JJD Management in the acquisition of Metaltec. JJD Management is a family office consortium owned by Lorentzen Investments, Imperial Group and Ashland Capital Partners. Headquartered in Michigan, Metaltec is a leading manufacturer and distributor of consumable metal abrasive materials used in blast cleaning, surface profiling, shot peening and other surface preparation and finishing applications.

Imperial Group is a family-owned, diversified metals group consisting of 11 industrial entities that trade and process metal. Lorentzen Investments is a single-family office with a current portfolio of nine operating companies, including Sivyer Steel Castings, a Midwestern steel foundry. Ashland Capital Partners is a private investment firm that sponsors and manages several of Lorentzen's investments. Imperial Group, Lorentzen Investments and Ashland Capital Partners are all longtime clients of Gould & Ratner.
