Karin O'Connell Appointed Vice Chair of Membership for ABA's Endangered Species Committee

Environmental

Karin O'Connell, a member of Gould & Ratner's Litigation Practice, was recently chosen to serve as Vice Chair of Membership for the ABA Endangered Species Committee. The committee focuses on Endangered Species Act (ESA) law, policy and practice, providing alerts, expert analyses and forum discussions for members. Karin will begin her leadership role in August and will present a related webinar on "*Endangered Species 101*."
