Linsey Cohen Guests on the CEO Bros: After Hours Podcast

Linsey Cohen

Managing Partner Linsey Cohen recently joined the CEO Bros: After Hours podcast to share her journey into law, her passion for real estate transactions and her 25+ years of experience helping clients grow and succeed.

In this candid conversation, she discusses:

- The attorney-entrepreneur relationship—and how lawyers should be dealmakers, not deal-breakers
- Why legal counsel is essential from the early stages of a business
- The value of mentorship and empathy in legal practice
- How Gould & Ratner serves as a full-service partner to entrepreneurs, developers and investors nationwide

Linsey also breaks down common misconceptions about working with attorneys and emphasizes the importance of understanding a client's business beyond the contract.
