David Michael, chair of Gould & Ratner's Litigation Practice, participated in a Financial Poise and West LegalEdCenter webinar about issues companies should consider when terminating employees, and steps an organization can take to minimize risk and defend against claims of discrimination, retaliation and wrongful discharge.

The webinar, "*It's So Hard to Say Goodbye: Minimizing Risk When Terminating Employees*," was live on September 4 and available on demand after the program. [Learn more here.](#)
