Tax Manager Rachel Johnson Receives OSCP Public Service Award

Rachel Johnson

We're proud to congratulate Tax Manager [Rachel Johnson](#) on receiving the Oklahoma Society of Certified Public Accountants (OSCPA) Public Service Award!

Presented annually at the OSCP Annual Members Meeting, the Public Service Award recognizes CPAs who demonstrate an outstanding commitment to serving their communities. The program encourages CPAs to become actively involved in public service and provides a forum for celebrating those whose contributions extend beyond the profession. As the recipient of the state-level award, Rachel will also be recognized nationally by the American Institute of Certified Public Accountants (AICPA).

This well-deserved honor reflects Rachel's dedication to making a meaningful impact through service, leadership, and community involvement. We are proud to celebrate this achievement and the example she sets for others within the accounting profession.
