Gould & Ratner is pleased to announce that Denver Partners [Chris McCall](#), Partner-in-Charge of the firm's Denver office and Chair of its Corporate Practice, and [Garrett Graff](#) have been named to the Legal 500 City Elite list for Denver in the area of Corporate and M&A.

Chris and Garrett's inclusion reflects both their individual contributions and the continued growth of Gould & Ratner's Denver office, which has become an increasingly important hub for the firm's Corporate and M&A capabilities.

The Legal 500 City Elite list highlights leading lawyers operating at regional firms across major U.S. business centers. The distinction is designed to recognize attorneys who are handling sophisticated, top-of-market work in their respective cities and regions.

Unlike the main Legal 500 US guide, the City Elite list focuses on individual lawyers rather than firmwide practice rankings, emphasizing those who play a key role in delivering high-level legal services within their markets.
