Bio

As Gould & Ratner's Assistant Controller, Craig Neukirch prepares the firm's financial packages, delivers reports for the C-Suite and Management Committee, processes payroll, and improves firm processes using technology.

Craig brings over a decade of accounting experience to Gould & Ratner LLP. In this time, Craig leverages his passion for process improvement by introducing efficiencies to the firm, including time entry, expense tracking, and an HRIS system. In 2026, he was named a Susan L. French Emerging Leader Fellow by the Association of Legal Administrators (ALA).

Before joining Gould & Ratner, he worked as a manager in the accounting department for a large retail jeweler. Craig earned a degree in finance, and when he is not enjoying time with his family you can find him walking his dog, going for a run, or golfing.
